

BASELITE

FOOD WARMER CATALOG

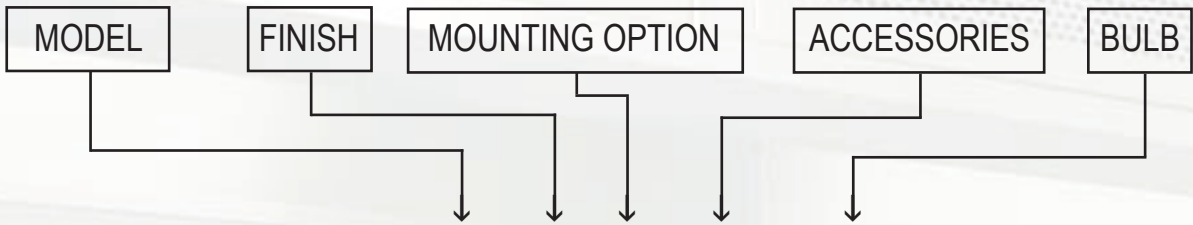

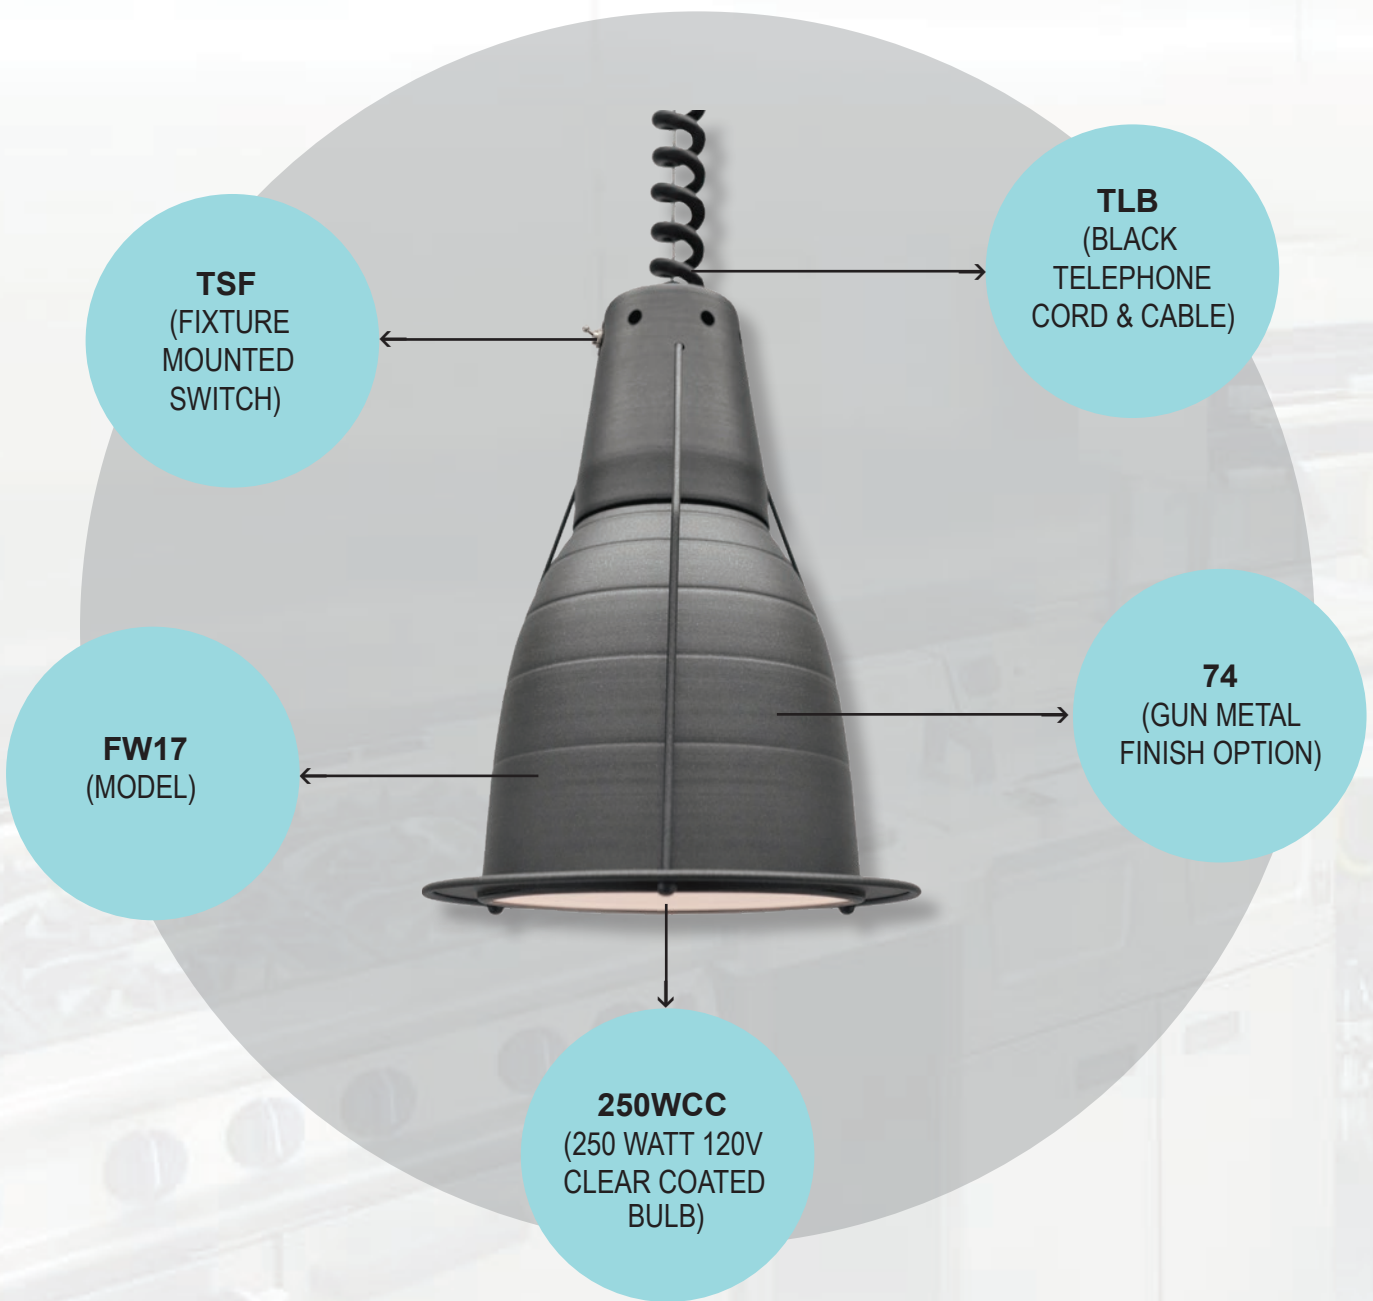

Baselite foodwarmers are designed to compliment and enhance the aesthetic appeal, design and decor of any eatery, while serving the purpose of maintaining food serving temperatures. Not only do they compliment the restaurants decor they are built to the highest commercial standards. Shades are constructed from a high grade aluminum, brass or copper and hand spun at our own facility. Offering thirty five different powder coat and metal finishes, along with a wide range of shade styles, mounting options and accessories to meet your lighting needs. All Baselite products are handmade in the U.S.A. guaranteeing a premium quality product.
